A Conversation on Energy

ConocoPhillips believes it's up to today's energy leaders to set the stage for tomorrow's energy solutions, from alternative renewable fuels to traditional sources like oil and gas. That's why we're hosting a town hall meeting in Charleston, WV to discuss energy solutions that are reliable, available and environmentally friendly, and we want to hear from you.

Join us for a Town Hall Meeting ... A Conversation on Energy hosted by ConocoPhillips and the West Virginia Institute of Technology, and moderated by Charles E. Bayless, President of WVU Tech. In addition to executives from ConocoPhillips, invited panelists include representatives from the Charleston Area Alliance, West Virginia Department of Environmental Protection, and the West Virginia Coal Association.
