Petroleum Technology Transfer Council

580 attendees last year!

WELLTENDER OPERATIONS
and
SAFETY SEMINARS

September 1, 2004 Olean, NY

September 2, 2004 Meadville, PA

ONE MCF could be worth \$91,250.00

**At \$5.00/mcf, each welltender could increase your annual profits by \$91,250
by getting just one mcfpd more from 50 wells.**

And how many welltenders do you have?

“THE BEST SEMINAR I’VE EVER ATTENDED”

Petroleum Technology Transfer Council

The Petroleum Technology Transfer Council Announces:

Welltender Operations and Safety Seminars

September 1, 2004 8:00 a.m. Olean, NY

September 2, 2004 8:00 a.m. Meadville, PA

LEARN ABOUT GAS SAFETY, PLUNGER LIFT, SEPARATORS, DEHYDRATION, COMPRESSION, ELECTRONIC METERING, FIRST AID, AND OTHER PRACTICAL TOPICS IN A “HANDS ON” ENVIRONMENT.

Subjects & Displays:

- Rotating “Mini-Sessions”
- Expert instructors
- Wide variety of subjects applicable to each area
- Tons of equipment (literally!)

Registration & Fees:

Please note that advanced registration is necessary. Space is limited in both workshops. The registration fee for the workshop is \$15.00 per person. This cost covers the entire workshop and a.m. and p.m. breaks. Lunch will be provided by Balon Valve Corporation. Please make checks payable to **Matthew E. Vavro** and return with the registration form by August 20th to:

FACT

The average fast food employee is better trained than the average welltender!

Welltenders and operators control production, gross income and costs, but are the LEAST trained employees in the oil and gas business!

YOU CAN'T AFFORD NOT TO TRAIN!
