Trenton/Black River in NY State by Taury Smith

Overview

This course will be designed for geologists and engineers who have had little carbonate training or who would like a refresher course. Also, anyone interested in the Trenton-Black River play should find this workshop of value. Wherever possible, examples from the Appalachian Basin Reservoirs will be used.

Schedule

Sign-in and workshop material distribution will begin at 8:00 a.m. on Tuesday, March 8, 2005. The workshop will begin at 9:00 a.m. and conclude at 5:00 p.m. However, please note that there is also a PAPG dinner meeting following the workshop. Registration for the dinner meeting is through the PAPG and their contact is Bret McDaniel at bret_a_mcdaniel@dom.com. His phone number is (724) 464-1529.

Cost & Registration Information

The fee for the workshop is \$75.00 which includes workshop material and all breaks. * **Please make checks payable to: PAPG (Pittsburgh Association of Petroleum Geologists) but send to me at:**
